

Request for Council Action

Originator Public Health	Item Approve Minnesota Women, Infants, Children (WIC) Peer Breastfeeding Support (PBFS) Agreement with Minnesota Department of Health (MDH)
Agenda Section Consent Business	Date 12/21/2015

Description

The City Council is requested to approve the attached Agreement with MDH allowing the City, through its Public Health Division, to continue providing additional breastfeeding support to participants enrolled in the Bloomington WIC Program. This support supplements the breastfeeding education and support currently provided by the WIC Program.

The term of this Agreement is from January 1, 2016 through December 31, 2020. A total not-to-exceed value of \$130,672 has been determined for the first year of this term. While subsequent years' amounts will be determined based on available funding and provided to the City in annual funding letters, it is anticipated that those future amounts to be similar for each of the remaining four years of this Agreement.

Approval of this Agreement will not require a budget adjustment.

Finally, the City Attorney's office has reviewed and approved this Agreement.

Requested Action

Approve Minnesota Women, Infants, Children (WIC) Peer Breastfeeding Support (PBFS) Agreement with Minnesota Department of Health (MDH)
